Read the product manual carefully before using your product. If you do not follow the instructions, there is a risk that you could damage the product or in the worst case cause injury. Keep the product manual for future reference. If the product is later passed on to third parties, this manual must also be provided.

This symbol indicates a warning regarding the care, handling, or use of the product. If such a warning is not followed, there is a risk that you could damage the product, or in the worst case cause injury.

Use the product only for the purpose described in this manual. Any other use does not correspond to the intended purpose of the product and can lead to damage to the product or injuries.
The manufacturer or dealer accepts no responsibility for damage resulting from the use of the product in a manner for which it is not intended. Incorrect, improper use of the product can lead to personal injuries. Children must not play with the packaging film, as there is a risk that they will be wrapped up in it and caught. Before using the product, make sure that there is nothing that can harm or injure people.

Risk of damaging the product

Incorrect, improper use, handling and cleaning can damage parts or the entire product.
Do not step on or jump on the product. It is not intended for this.
Do not use a hard brush, solvent, corrosive or strong cleaning agent to clean the products, if not advised by Bolia.com.
Always use recommended care and cleaning products.
Never cover wet products. If a wet product is covered, it can be damaged.
